ABOUT US

Dartmouth International was established with full service in mind: to provide best quality service and tailored solutions while maintaining the highest standards in corporate administration and compliance services.

SOLUTIONS FOR:

- Estate Planning;
- Asset Protection;
- Investment Funds; and
- Tax Efficient International Investments.

OUR DIFFERENTIALS

- **Experience**

Our multi lingual and multi cultural staff and excellent international network ensures results for the most complex needs.
- **Single Point of Contact**

All aspects of our client corporate structures are handled by one relationship officer. We also offer concise, consolidated billing.
- **Neutrality**

We do not favor any type of solution nor jurisdiction. We tailor the solution to our customer.

OUR COVERAGE

We incorporate and manage legal entities in over 20 jurisdictions.
